

Your Kind Personality
By Carlee Coleman

When I fall or get bullied
You stand up for me.

When you hug me
Or wave at me
I feel like
An angel
Welcomed me
To heaven

When I drop
Something on the
Floor you stop
What you're
Doing and
Help me pick
It up

Your simple acts
Of kindness
Can stop a
Million tears I
shed every day

Just one little hug
And wave you give me
Bring me so
Much joy.

When you keep the
Golden heart
You have
It can
Change millions
Of lives just
Like... mine

Note:
Kindness is a key
To everything in life
You might not
See it now,
But you
Can start to see
It today...

By Brielle Edwards

Kindness speaks the words
Your heart could never speak.
Your wings hold me up
And give me strength when I am weak
The warmth of your protection,
Brings music to my heart.
You open up the doors.
You show me where to start

Kindness
By Kha'mari Artis

Kindness is like a bunny.
It is so soft and funny.
Kindness is like a light
It shines bright.

Kindness is like a sweet cake.
Kindness is so easy to make.
Kindness is something to show.
Kindness is something that can grow.

Kindness is like a star.
Kindness shines bright like a car.
Kindness is so sweet.
Kindness just makes me want to eat.
